

## Ambuja's Best IICChE student chapter award

Department of Chemical engineering at Shroff S R Rotary Institute of Chemical Technology is running student chapter of Indian Institute of Chemical Engineers (IICChE). The chapter comes under Ankleshwar Regional center of IICChE. Under banner of IICChE, students and faculty members did many activities like refresher course, industrial visits, students quiz, expert lectures, poster competition etc. This year SRICT has received Ambuja's best student chapter award (First prize). This prestigious award is selected among 50 entries from all over the country. The award will be presented in CHEMCON 2017 which is going to held in Haldia Institute of Technology, Haldia during 27-30 December 2017.
