

May I Know Your Solution....??

The banner features logos for UPL, SRIC, and Rotary at the top. The central text reads 'TECHNOVATION'19' with dates '26-27 Sept.'. Below this is a whiteboard image with the text 'May I Know Your SOLUTION' and 'Unlock your creativity with whole-brain thinking'. To the right is a 'TECHNOVATION' logo with a gear and leaf. At the bottom left is a green leaf logo with a globe and wind turbine. At the bottom center is a diagram titled 'IDEAS' showing a flow from 'problem' (sad face) to 'thinking' (neutral face) to 'solution' (happy face with lightbulb). At the bottom right is the contact information: '- Sudeep Desai 9586477168'.

Introduction:

- This event checks your physical and mental strength at a time where the teams will be tested on their ability to take decisions and how they come up with the new solution for global environmental issues. This event is based on creativity, marketing, presence of mind and physical strength of the participants.

Rules:

1. Only 2 or 3 participants per team will be allowed
2. All necessary materials will be provided at the time of event
3. Any kind of electronic devices will not be allowed during the event
4. All participants have to complete given task within the given time limit
5. Criteria of winner will be discussed prior to competition
6. The decision of co-ordinators will be considered final and no arguments will be entertained. The co-ordinators can disqualify any team and in that case organisation is not liable for any refund.
7. The rules and rounds of the event will be revealed on the time of event.
8. All the participants should reach the venue 10 mins. Before the time of the event
