The Indian Banks' Association (IBA) had formulated a comprehensive model educational loan scheme for adoption by all Banks aimed at providing financial support from the banking system to deserving/meritorious students for pursuing higher education in India and abroad. with initiatives of Government of India, RBI, NSDL and IBA, Comman portal has been designed name as [www.vidyalakshmi.co.in](http://www.vidyalakshmi.co.in)

### Objective of the Scheme

The Government of India has approved a scheme to provide full interest subsidy during the period of moratorium i.e., Course Period plus one year or six months after getting job, whichever is earlier, on loans taken by students belonging to Economically Weaker Sections from scheduled banks under the Educational Loan scheme of the Indian Banks' Association, for pursuing any of the approved courses of studies in technical and professional streams, from recognized institutions in India.

The nomenclature of the Scheme is "Central Scheme to provide Interest Subsidy for the period of moratorium on Educational Loans taken by students from Economically Weaker Sections from scheduled banks under the Educational Loan Scheme of the Indian Banks' Association to pursue Technical/Professional Education studies in India"

### Applicability of the Scheme

The Scheme could be adopted by all scheduled Banks and would be applicable only for studies in recognized Technical/Professional Courses in India. The interest subsidy shall be linked with the existing Educational Loan Scheme of IBA and restricted to students enrolled in recognized Technical/Professional Courses (after Class XII) in India in Educational Institutions established by Acts of Parliament, other Institutions recognized by the concerned Statutory Bodies, Indian Institutes of Management (IIMs) and other Institutions set up by the Central/State Government.

### Interest Rates to loan accounts

The interest rates charged on the education loan shall be as per the rates prescribed by Banks.

### Period for which Interest Subsidy is available

State Governments for certification of income status for this Scheme, including Central and State Sector Schemes. The present scheme is intended to cater to the needs of students belonging to economically weaker sections with prescribed upper parental gross income limit of the family from all sources, which is based on economic index and not on social background. The scheme is independent of any other schemes which may cater to EWS.

### **Eligibility for Interest Subsidy**

The interest subsidy under the Scheme shall be available to the eligible students only once, either for the first undergraduate degree course or the post graduate degrees/diplomas in India. Interest Subsidy shall, however, be admissible for integrated courses.

Banks can have online access for verification process, which would eliminate fraudulent practices like forging of certificates and marks sheets.)
