From the Desk of HoD

I am very happy and proud to present our first newsletter “**SANGANAK**” of the Department of Computer Engineering. This internal newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities by the students and faculty in academic, co-curricular, extra-curricular. I would like to thank all my colleagues and students for their tireless efforts to help the department progress at a very steady pace.
