MOU

The Mathematics, Science and Humanities Department has processed MoU between UPL University of Sustainable Technology and RMPS International School, Ankleshwar.

The SRICT- Institute of Science & has processed MoU between between UPL University of Sustainable Technology and Datum Laboratories (FDCA Approved), Ankleshwar.

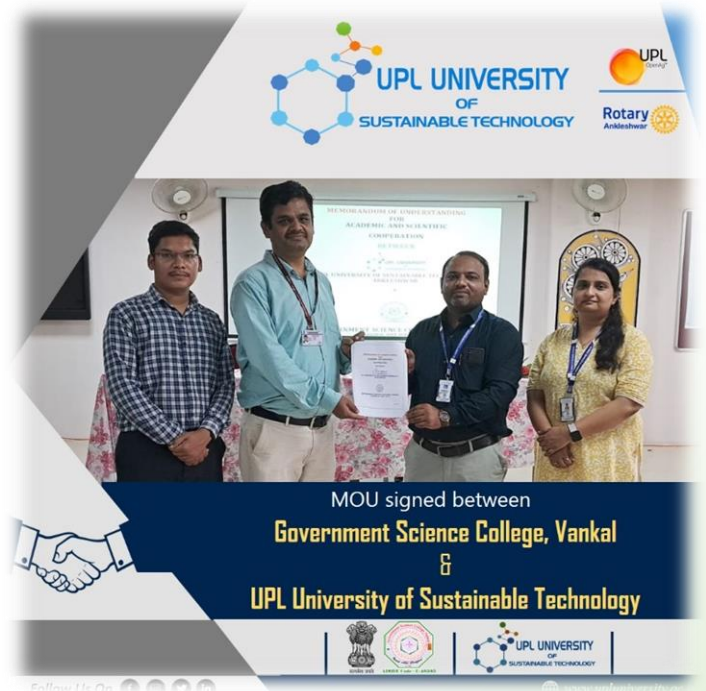

"If everyone is moving forward together, then success takes care of itself."

MOU

The SRICT- Institute of Science & has processed MoU between between UPL University of Sustainable Technology and Narmada Organics, Saykha

The SRICT- Institute of Science & has processed MoU between between UPL University of Sustainable Technology and Government Science College, Vankal.

"Academic collaboration: Coming & working together for a better future"

TEACHER'S DAY CELEBRATION

Various departments celebrated "Teacher's Day" by encouraging peer learning and new teaching techniques it was a wonderful way to recognize teachers and their important role in shaping the future of our society.

"Not everyone can teach! Teachers are never off duty"

ENGINEERS DAY CELEBRATION

Department of Mechanical Engineering organized **Vishawakram Pooja** on 18th September 2024 at Mechanical Workshop, MED on the auspicious occasion of **"Engineers' Day"**, All faculty members, staff members and students of UPL University of Sustainable Technology took part in pooja and got the blessings for health, wealth and grand success in education field. It was really a spiritual atmosphere.

GANESHOTSAV CELEBRATION

*Organized by Department of
Computer engineering and
Information technology*

Date: 03/09/24

The Department of Computer engineering and Information technology organised the competition for our talented students. Who unleashed their creativity by crafting adorable

"Miniature Ganesh models" & "Best Out of Waste"
on 3rd & 4th September 2024.

**Department of Computer Engineering & Information Technology
Organized the Event "Best Out of Waste"**

Creating Joy, One Miniature at a Time!

GANESHA MAKING COMPETITION

"An eco-friendly Ganesha making competition"

for Chemical Engineering students has been organized by the Department of Chemical Engineering on 6th September 2024, in collaboration with IChE Students' Chapter, SRICT.

WORLD MICROORGANISM DAY CELEBRATION

“Celebration of World Microorganism Day on 23-24 September 2024”

Events and Winners:-

Essay Writing: Gracy Bhargav (1st), Asharat Khan (2nd), Bhakti Patel (3rd)

Extempore: Subham Rajpurohit (1st), Gracy Bhargav (2nd), Heli Chandaliya (3rd)

Poster Making: Asharat Khan (1st), Nandini Gupta (2nd), Archee Naria (3rd)

Microbial Sci-toon: Gracy Bhargav (1st), Sharma Anita (2nd), Sejal Baria & Nandini Gupta (3rd), Diya Ghodasara (Consolation)

Celebrating World Microorganism Day: A Resounding Success

“Celebrating World Microorganism Day: A Resounding Success”

The SRICT-Institute of Science and Research (ISR) proudly celebrated World Microorganism Day on 23-24 September 2024. A total of 52 students from Microbiology and Chemistry departments participated in various scientific events.

MODEL MAKING COMPETITION

"Unlocking the Secrets of the Universe"

The SRICT- Institute of Sustainable Research (ISR), UPL University of Sustainable Technology organized a Model Making Competition based on the theme **"Bioelectricity Generation using Microbial Fuel Cells"** on **2nd September 2024** with the objective to design and develop innovative models of Microbial Fuel Cells (MFCs) that demonstrate the production of bioelectricity, promoting sustainable energy solutions. The students have participated with great enthusiasm and demonstrated their live models to the students of various disciplines. All live models have critically been assessed with efficiency of bioelectricity generation, design and innovation, presentation and explanations.

IWWA ACTIVITIES

IWWA(Indian Water Works Association)- UPL University Student Chapter

Department of Environmental Science & Technology
We share because we care

Follow us on     upluniversity.ac.in

IWWA- UPL University student chapter organized '**The clean water quest**' competition on 6th September 2024. & **Essay Writing Competition** on Engineer's Day on the topic Role of Engineers in Society. Students penned down their ideas and views on the role of Engineers.

   

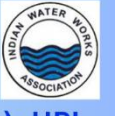

IWWA(Indian Water Works Association)- UPL University Student Chapter Organized

**The Clean Water Quest
an Intra College
Competition**

Topic: Wastewater Treatment

URJA CLUB ACTIVITY

Department of Electrical Engineering organized "**Techno Spark Quiz**" under the banner of Urja Club on 5th September 2024 to celebrate Teacher's day. The activity consisted of technical written test in the first round and debate/group quiz in second round. Total 37 Students have participated. At the end, fun games were also organized by the team members.

IQAC ACTIVITY

The Nature Club of UPL University of Sustainable Technology, in collaboration with IQAC, organized "**Airathon – A Quiz Competition**" on the occasion of International Day of Clean Air for Blue Skies on 5th September 2024. The competition focused on air quality and environmental issues, drawing active participation from students. The event concluded with a prize distribution, celebrating the winners for their impressive performance.

SEMINAR

"Mental health is not a destination, but a process....It is about how you drive, not where you are going"

The SRICT-ISR, UPL University of Sustainable Technology, Ankleshwar has organized a Seminar on **"Mental Health & Wellness of students"** In Association with District Education Office, Bharuch on 11th September 2024 for the Principals and Teachers of various schools across the Bharuch district. The seminar has graced by the esteemed presence of Mrs. Swatiba K. Raol, Hon'ble District Education Officer, Bharuch, Mr. Ashok Panjwani, Hon'ble President, UPL University of Sustainable Technology, Ankleshwar and Mrs. Michelle Ganeshni, Campus Director, Shree Gattu Vidhyalaya, Ankleshwar and Inclusive Trainer of UNESCO International Forum. More than 125 principals and senior teachers of various schools across Bharuch district participated with great enthusiasm.

A Seminar on "Mental Health & Wellness of Students" in collaboration with District Education Office, Bharuch on 11th September 2024

GLIMPSE OF SEMINAR

"Mental health is not a destination, but a process....It is about how you drive, not where you are going"

ONE-DAY HANDS-ON TRAINING PROGRAM

The Department of Chemical Engineering, under the banner of the IChE SRICT Students Chapter, successfully organized a one-day hands-on training program on **process simulation** using DWSIM and CAPE OPEN. This program was designed for third and fourth-year undergraduate Chemical Engineering students from nearby colleges, promoting collaboration and learning among aspiring engineers. Students from nine institutions participated enthusiastically, including GEC Bharuch, GEC Valsad, PPSU, GSFC, SNPIT, RNGPIT, and GCET, among others. Their eagerness and engagement greatly contributed to the success of the program.

ABHYUTTHAN

UPL University of Sustainable Technology proudly hosted **ABHYUTTHAN**, its prestigious Academic Awards Ceremony on 20th September 2024, to honour the exemplary achievements of its students. The event recognized the top performers from Diploma Engineering, Bachelor of Engineering, Postgraduate programs, B.Sc. (Chemistry & Microbiology), and M.Sc. Chemistry for their outstanding results in the Summer 2024 examinations.

STUDENT ACHIEVEMENT

Project Title: Sustainable Sparkers

:1st Prize Winners (₹11,000):

1. Rudra Joshi
2. Bhakti Patel
3. Meet Patel

Project Title: Karmayogi

:3rd Prize Winners (₹2,000):

1. Bhargavi Prajapati
2. Roshni Vasava
3. Rudra Patel
4. Prashant Arya

“Nurturing Aspirations & Encouraging Dreams”

On 14th September 2024, The SRICT-ISR, B. Sc. Microbiology (Hons.), Semester-III students have participated in **BIOTHON- competition organized by Darshan University, Rajkot**. A six students of B.Sc. Microbiology (Hons.), Semester-III have participated in the events with two projects.

FACULTY ACHIEVEMENT

At SEWA-RURAL, Jhagadia, Faculty members of the **Mechanical Engineering Department**, Dr. Hiren Mahida delivered an expert session on **"Self Empowerment"** and Mr. Girish Bramhakshatriya has delivered an expert session on **"Product Life Cycle"** for the industrial trainee students of Vivekananda Gramin Tekniki Kendra. The workshop was attended by about 210 students from a variety of trades. The students and instructors at the centre really enjoyed the interactive session.
