

One day workshop on BASIC EXCEL

On November 14th, the Department of Mathematics, Science & Humanities at UPL University of Sustainable Technology conducted a **one day workshop on Basic Excel**. This workshop was focused on using Excel in an easy way. The session, delivered by Mr Dhananjay Chauhan and Mr Avinash Patel was aimed at first-year Degree Engineering students of all branches. The students actively participated in the workshop and gained knowledge about how to use Excel effectively in daily life.

NUMBER OF PARTICIPANTS: 161
