

The Department of Mathematics, Science and Humanities of UPL University of Sustainable Technology organizes a One - Week faculty development/ training program on **"Cutting - edge Analytical Techniques to support Global industries with a visit to Sophisticated Analytical Lab"** from 20th to 24th January 2025.

Dr. Snehal Lokhandwala, Dean Science and Sustainability addressed the gathering during the inaugural ceremony. The program started with Mr. Anirban Roy Chowdhary, SGM in Amneal Pharmaceuticals as the keynote speaker of the Technical Session.

There were participants from 33 different industries, research scholars from different colleges, faculty members from various institutions and students.

NUMBER OF PARTICIPANTS: 111

The screenshot displays a Zoom meeting window. The main content area shows a presentation slide with the following text:

- UPL UNIVERSITY OF SUSTAINABLE TECHNOLOGY logo
- One Week Online Faculty Development / Training Program On
- "Cutting-edge Analytical Techniques to Support Global Industries with A Visit to Sophisticated Analytical Lab"**
- January 20-24, 2025
- An image of laboratory glassware (flasks and beakers) with blue and pink liquids.
- Organized by
- Department of Mathematics, Science & Humanities - SRICT**

On the right side of the Zoom window, there is a 'Participants (75)' list. The list includes names and icons for each participant, with some names partially visible:

- Dr. Arun Manke
- Krishna Sharma
- Hetal Parmar
- Yatin M. Salve
- Hitesh patil
- Jeevan Saji Varghese
- KIRITAN PATEL
- Abul Bavaria
- R
- Aniket sonawane
- Prajapati Hiral
- Adhwini savle
- realme RMX3471
- 92000988
- Sakshi
- JHAGADIA
- Mehul Sonawane
- Vivek Gupta
- Meghana Solanki
- Xiaomi 2312DRAAB1

The bottom of the screen shows the Windows taskbar with the search bar, task view button, and several open applications. The system tray on the right indicates a temperature of 23°C, a hazy weather condition, and the time 14:17 on 20-01-2025.
